COMINAR ANNOUNCES \$100 MILLION ISSUE OF CONVERTIBLE DEBENTURES

Québec City, Québec, September 1, 2009 – Cominar Real Estate Investment Trust (“Cominar”) (TSX: CUF.UN) announces today that it has entered into an agreement to sell, on a bought deal basis, \$100,000,000 aggregate principal amount of convertible unsecured subordinated debentures of Cominar (the “Debentures”) to a syndicate of underwriters led by National Bank Financial Inc. and BMO Capital Markets. The proceeds from the sale of the Debentures will be used to pay down debt outstanding under current credit facilities, which was used to finance Cominar’s ongoing acquisition and development pipeline, and will be used to finance future acquisitions and developments. The Debentures will be offered in all provinces of Canada by way of a short-form prospectus.

The Debentures bear an interest rate of 6.5% per annum payable semi-annually in arrears on September 30 and March 31 in each year commencing on March 31, 2010, and will mature on September 30, 2016 (the “Maturity Date”). The Debentures will be convertible at the holder’s option into units of Cominar (the “Units”) at any time prior to the earlier of the Maturity Date and the date fixed for redemption at a conversion price of \$20.50 per Unit (the “Conversion Price”), being a ratio of approximately 48.780 Units per \$1,000 principal amount of Debentures. The Debentures will not be redeemable before September 30, 2012. On and after September 30, 2012 and prior to September 30, 2014, the Debentures may be redeemed in whole or in part from time to time at Cominar’s option provided that the volume weighted average trading price for the Units is not less than 125% of the Conversion Price. On and after September 30, 2014 and prior to the Maturity Date, the Debentures may be redeemed in whole or in part from time to time at Cominar’s option at a price equal to their principal amount plus accrued interest. Subject to regulatory approval, Cominar may satisfy its obligation to repay the principal amount of the Debentures on redemption or at maturity, in whole or in part, by delivering that number of Units equal to the amount due divided by 95% of the market price for the units at that time, plus accrued interest in cash.

Cominar has also granted the underwriters an over-allotment option to purchase an additional number of Debentures equal to 15% of the size of the offering. The over-allotment option may be exercised until 30 days following the closing of the offering.

The Debentures and the underlying Units have not been and will not be registered under the United States Securities Act of 1933 and accordingly will not be offered, sold or delivered, directly or indirectly within the United States, its possessions and other areas subject to its jurisdiction or to, or for the account or for the benefit of a U.S. person, except pursuant to applicable exemptions from the registration requirements. The offering is subject to normal regulatory approvals including approval of the Toronto Stock Exchange and is expected to close on or before September 22, 2009.
